About Your Transit System

Funding for the Whistler Transit System is cost shared between the Resort Municipality of Whistler (RMOW) and BC Transit. Operating costs are met by a combination of farebox revenues, municipal and provincial funding.

Riding the Bus

Transfers

A transfer allows travel for the next connecting bus. A transfer cannot be used for a return trip. Request a transfer when you board and pay your fare. Show your transfer to the driver, face up, with time showing.

Comments?

When we do things right, let us know or tell us how we can improve our service for you. Leave your full name, address, phone number or email address. Transit staff will investigate all calls and will contact you if more information is needed.

604·932·4020 ext. 3 or bctransit.com/whistler

Baby Strollers

- should be collapsible
- must be kept clear of the aisles
- must be positioned in an unoccupied wheelchair location with the brakes set
- must be held on to at all times

When wheelchair positions are occupied or required by another customer or if the bus is not a low floor bus, please store your folded stroller between seats. Hold on to your child at all times.

Food and Beverages

To keep buses clean and safe, any food or drink you bring on board must be in a closed container that is spill-proof. Open alcohol is not permitted on the bus.

Take your garbage with you when you leave the bus. We appreciate your help keeping the bus clean.

The Bus is a Safe Place

Transit drivers can contact local police, ambulance and other emergency services. Transit drivers are also trained to assist a child or adult in need. Tell the driver if you are concerned about your safety.

BC Transit's safety and security practices uphold the *British Columbia Transit Act* and the B.C. *Motor Vehicle Act.*

Be Safe and Be Seen

Sometimes it is difficult for transit drivers to see you at bus stops, especially along unlit roads. Wear light-coloured clothing, wear a reflective strip or use a flashlight or light from your mobile phone to signal the driver that you are at the stop.

Pets on Board

Only small fur-bearing and feathered pets contained in secure, clean, hand-held cages are permitted on the bus. Cages (hard or soft shell) must be small enough to fit on the owner's lap.

Passengers must hold on to the pet cage at all times and are responsible for the pet's safety. If there is room, the passenger may place the cage beside them on the floor. The cage should not block the aisle or restrict other passengers.

Assistance animals that are certified are allowed on public transit at all times. You may be asked to produce your Guide Animal Certificate.

Bikes

Most bikes can be accommodated on BC Transit buses when their wheels fit properly in the rack. If you are considering travelling by bike and transit, instructions are posted on the bike racks.

Before your bus arrives, make sure that saddlebags, antennas, helmets, child carriers or any other item that could interfere with the driver's vision are removed from the bike. Electric bikes are only allowed on the bike rack when they weigh less than 25kg (55 lbs.), and the battery (lithium only) is removed from the bike and brought on board the bus with the customer.

Visit *Rider Info* at bctransit.com for an instructional video.

Parcels

For safety reasons, please place and hold your luggage, bags, sports equipment and other belongings on your lap or on the floor where they will not obstruct the aisle or other customers.

Transporting compost, waste and recycling is permitted, but must be kept in a single non-transparent container that is leak-proof, puncture resistant and fits on your lap.

Do not bring combustible materials, such as wet-cell batteries, propane tanks or gasoline containers on the bus.
