Registration process for the Summer

Registration is now available for Camp Summer Sensations and Camp Breakout. To register, email kotg@whistler.ca or call 604.935.8370 to request dates required. Prior to your child(ren) attending camp, we require a registration form per child, a copy of immunization record or conscious objector form and an emergency contact card. Additionally, account balances must be cleared to \$0 owing. If any of this information is missing then the request cannot be completed.

Fees

All camps have flexible registration options available. You can sign your child up for the entire summer or pick which days' work best for your family. We require minimum 24 hours notice to add your child into our programming (should space be available) allowing for ample flexibility when scheduling your summer plans.

How to add days once your child has attended

Please email kotg@whistler.ca or phone 604.935.8370 with your request for additions or cancellations. Both the phone voice mail and email address are checked frequently throughout the day so please leave a message of your request and we will get back to you in a timely manner.

Cancellation Policy

One calendar months' notice, in writing, must be given to kotg@whistler.ca by the last day of the month prior to the request for changes to days of enrollment or withdrawal in the subsequent month. (i.e. Notification must be received by April 30th for any changes in the month of June). We would like to reassure parents that we are still continuing to offer our flexible registration service which allows you to pick and choose which days you need care and only pay for those dates you book should appropriate notice of cancellation be provided.

What to Expect

Each day we try to do something different and exciting! We have weekly themes and build our week around the theme including the main activity. Our main mode of transportation at camp is by bike so ensure your child is comfortable riding a bike around Whistler's paved trails. Before camp, have your child(ren) ride their bike to make sure it is in good working order and still fits. Some days (as noted in our schedule) we transport the children in our 15 passenger vehicles. We leave promptly at 9 a.m. on those days, so please be at Myrtle Philip by 9 a.m. in order to participate in the scheduled activity.

What to Pack

Participants should bring the following items every day: a backpack, bike & helmet, nut free healthy lunch with two snacks, plenty of water, hat, sunscreen, good walking shoes, swim suit, towel, rain jacket and a smile! Note: no bike and helmet is required on days we are travelling by van.

Camp Action Adventure - AA

This camp runs from Monday to Friday from 8:30am-3:00pm. It is for Children aged 4-6 years. This is a flexible registration program so you can pick and choose which days you would like your child to attend, the cost is \$45 per day.
