ITEMS FOR DISCUSSION

Next steps for piloting the affiliate-level Planat accessibility assessment tool in Whistler:

- Outline and demonstrate municipal venues and recreation sites audited and imported into Planat.
- RMOW assets still to be assessed imported.
- Develop deadlines for Measuring up Coordinator to review partner websites.
- Develop timeline for sharing this information with the programmer from each organization to implement those changes.
- Share/review communications and engagement tools and instructions for resort partners to self-assess their venues services at no cost.
- Discuss timelines for MUSCC members to provide assessment content to Planat.
