TERMS OF REFERENCE

SELECT COMMITTEE OF COUNCIL: SMART TOURISM

Council Adoption:
File No. XXXX

CONTEXT

The Resort Municipality of Whistler (RMOW) is guided by the Official Community Plan (OCP) and Community Vision: "A place where our community thrives, nature is protected, and guests are inspired." Each term, Council establishes priorities to steward the community towards this vision. For the 2022-2026 term, Council identified Smart Tourism as a priority. To help advance on this priority, a Smart Tourism Select Committee of Council (STC or Committee) is being introduced.

The primary aims of Committees of Council are to:

- focus on high-level policy and strategy
- advance Council priorities
- provide advice and recommendations to Council
- help solve complex problems through collaboration
- engage subject-matter experts, and
- collect community perspective

The STC is a Select Committee of Council, created under the authority of section 142 of the *Community Charter*. The Committee acts in an advisory capacity by providing advice and recommendations to Council and staff on current policy and strategic initiatives.

WORKING DEFINITION OF SMART TOURISM

Smart Tourism is a unified and collaborative approach to destination management. Destination management through the lens of Smart Tourism will ensure that Whistler's community, environment, and culture continue to be enhanced and supported by tourism. In our exploration of Smart Tourism, we will be questioning what it is for Whistler to be a global leader. We will also be finding productive ways to challenge our community to consider how they can contribute to a sustainable and equitable future and shape a destination of which they are proud.

MANDATE

The Committee provides strategic advice to RMOW staff and Council. Guided by Whistler's Community Vision, "Whistler: A place where our community thrives, nature is protected, and guests are inspired," and OCP policies the Committee seeks to leverage:

- a collaborative process towards developing an aligned vision for the future of tourism in Whistler that achieves long-term economic resiliency;

- support the resort community to develop and evolve Whistler’s tourism product in line with the Smart Tourism vision and leading regenerative practices; and
- lead a collaborative approach to destination management in Whistler that builds sustainability and resiliency into our economy and community.

Specifically, the Committee supports and advises on the following:

- Identify, share and consider key current and anticipated tourism practices and economic trends to ensure a resilient tourism strategy that ensures/maintains our competitive advantage;
- Review and provide feedback on new strategies and policies as it pertains to Smart Tourism;
- Provide guidance for related resort-wide policy, initiatives and expenditures;
- Achieve alignment and collaboration with resort partners towards a shared vision of Smart Tourism;
- Plan and share resort-wide research, including indicator and target tracking related to Smart Tourism;
- Define roles and responsibilities of various agencies as it pertains to destination management and destination stewardship;
- Review and provide feedback on the development of the three-year Resort Development Strategy;
- Review and provide feedback on Festivals, Events and Animation strategic plan and vision; and
- Provide input and recommendations on the ongoing strategic use and prioritization of hotel tax revenues
- Provide input and recommendation on the ongoing use of parks and recreation infrastructure.

GUIDING PRINCIPLES

The STC will be guided by the ten principles of the World Economic Forum’s (WEF) *Global Future Council on Sustainable Tourism*. The WEF has developed these principles to guide businesses, governments, destinations, travelers, and resident communities to better design and manage tourism destinations and practices for many years to come.

The ten guiding principles are:

- Certify and monitor scientifically;
- Cultivate the workforce;

REPORTING OUT

Committee Meeting Minutes

Committee Meeting minutes serve as an official record of actions taken at a meeting. The minutes document the Committee's adherence to proper procedures and allow people not at the meeting to follow the decisions made. Committee Meeting minutes are taken by the Recording Secretary, approved by the Committee, included in the agenda package at a Council Meeting, and received by Council.

Annual Report Out to Council

Each January, one Committee of the Whole (COTW) meeting will be dedicated to Committee updates. At this meeting, the Staff Liaison, on behalf of the Committee, will present an update to Council that may include:

- the mandate and membership as per the TOR;
- highlights of the Committee's accomplishments in the previous year;
- the Committee's priorities for the upcoming year;
- potential opportunities for collaboration with other committees; and
- any information, trends or issues of concern of which the Committee thinks that Council should be aware.

MINUTES AND AGENDAS

Meeting agendas and minutes will be administered in accordance with the Procedure Bylaw.

COMMITTEE ADVICE AND RECOMMENDATIONS

The Committee may provide information, advice, and recommendations to Council on current policy and strategic initiatives.

Information and Advice

The Committee can provide information and advice to Council by including their insights in the Meeting minutes; these minutes are received by Council. Council may be informed by the information and advice in the minutes; but cannot formally endorse or act upon recommendations by simply receiving the minutes.

Recommendations

As part of their role, the Committee will review, and provide recommendations on, policies, strategies, and projects (initiatives) that relate to their mandate. Initiatives are brought to the Committee by RMOW staff that lead the work. Once the Committee has reviewed the initiative, the Committee can consider a motion to put their recommendations forward to Council for their consideration. The recommendations will be included in the Analysis section of the council report by the staff member leading the work. Council will consider the Committee recommendations as part of Council's deliberation of the initiative. Committee recommendations are advisory unless specific decision-making authority has been delegated to the Committee by bylaw [section 154 (1) CC].

Meeting cadence will be determined by the Committee, with a minimum cadence of quarterly. This cadence will be flexible and contingent to having content and agenda items. Meetings may be added if there are time sensitive or significant items to review or canceled if there are few or no agenda items. The decision to schedule an additional meeting or cancel a meeting will be made by the Chair and Staff Liaison with as much advance notice as possible.
