

# Whistler Map Quick Help Guide

This document will help you navigate the tools and functionality of the new Whistler (Web) Map Application

The first page focuses on the Mapping Interface

Page two looks to display the functionality of all of the tools in the toolbar along the top of the mapping interface

There are also Help Videos available [here](#)

Or if all else fails, you may contact GIS Help at [gis@whistler.ca](mailto:gis@whistler.ca)

\* the description of each tool is linked by the nearest colour coded box
