Appendix A – Revised May Long Weekend Committee Terms of Reference

### **PURPOSE OF REPORT**

The purpose of the report is to receive Council's approval to revise the Terms of Reference for the May Long Weekend Committee and to provide Council with an update on the planning for the 2016 May Long Weekend, including partner collaboration, events and animation and law enforcement.

### **DISCUSSION**

The May Long Weekend has presented a long standing concern to this community in terms of disturbances and criminal behaviour. On December 17, 2013, Council formed a select committee entitled the May Long Weekend Committee to create collaborative strategies that will enhance visitor experience and mitigate the impacts of elements which have historically tended to undermine the positive atmosphere in the resort during that holiday weekend.

The evolution of the May Long Weekend is a work in progress, where success towards positive outcomes is being realized, through incremental steps over a number of years.

### **Changes to the Terms of Reference**

The May Long Weekend Committee should continue to be active into at least 2016 and 2017.

Staff is recommending that the terms of reference for the committee be revised to expand the membership and to move to a two-year term over the previous one year-term for better continuity.

Staff are proposing increasing the number of members on the committee from six to eight by expanding the committee to include a representative from the Liquor Primary Sector and the Retail Merchants Sector. This will ensure that there are more of the players at the table that are affected by the issues surrounding the May Long Weekend and can assist in finding solutions using a resort-wide approach. Staff are also recommending that the current seat for the General Manager of Corporate and Community Services be replaced with the Manager of Protective Services.

The Committee shall be composed of eight members:

- I. One Whistler RCMP representative
- II. One Accommodation Sector representative
- III. One Restaurant Sector representative
- IV. One Liquor Primary Sector representative
- V. One Retail Merchants Sector representative
- VI. One Member of Council
- VII. One Community Member-at-Large
- VIII. Manager of Protective Services

Since the 2015 May Long Weekend the Committee has met four times. The strategy for the 2016 May Long Weekend includes the following components.

### **GO FEST**

Now in its third year, the continuation of the GO Fest brings to the resort a renewed focus on the great outdoors and celebration of our natural environment. This festival has helped to begin a transformation of the reasons why people may want to visit Whistler on the May Long Weekend and to provide locals with more motivation to stay home and play.

Over the course of four days (May 20-23), GO Fest attendees will get a chance to sample a host of outdoor activities and products in a high-energy, family-friendly outdoor setting.

Some highlights include:

- Popular outdoor recreation clinics, ranging from stand-up paddle boarding, to running, fly fishing, sailing and more.
- Live concerts at the GO Fest main stage in Village Square from exciting up-and-coming Canadian artists and bands.
- Outdoor art demonstrations.
- Whistler Film Festival Adventure Film Series at the Maury Young Arts Centre screening the world's best independent adventure films.
- A GO Fest Instameet for Instagram users to meet and share a fun outdoor adventure together.
- A British Car Show with up to 100 vintage British cars on display in Whistler Olympic Plaza.

Whistler businesses are also encouraged to get involved by providing programming within their store or place of business.

### **RCMP**

For the 2016 May Long Weekend, the RCMP have an operational plan in place which includes a highly visible police presence to ensure public safety, keep the peace, and protect property and to enhance the Whistler experience.

All local officers will be working extended shifts and additional officers will be brought in from the Lower Mainland and Squamish. Resource teams will include the Whistler RCMP General Duty, the Integrated Road Safety Unit, Lower Mainland Traffic Services, Police Dog Services, the General Investigation Section and Police Bike Patrols.

Road Safety Checks will be conducted throughout the weekend as well as foot patrols of the Village, increased bike patrols and patrols of parks.

There will be zero tolerance for public intoxication, possession of open liquor, general disturbances, fights and weapons.

### **BYLAW/FIRE/PRIVATE SECURITY**

The Bylaw department will also be fully staffed and extended shifts will be scheduled. Bylaw officers will be paired with RCMP staff for foot and bike patrols. Fire will also be providing extra staffing of a smaller engine with one career firefighter and 2-3 Paid On call firefighters to do valley and park patrols. The RMOW will also be hiring a private security guards to be placed at strategic locations throughout Whistler to protect property and provide an additional presence.
