A – Addendum #1

RFP – P07909 – 2024 RMOW Energy Advisor

Questions and Answers:

Q1. Page 13, Section 8.3.5 “Cost” - One of the scoring prompts for the *Cost* criterion is “the proposed cost is within RMOW budget”. What budget has the RMOW allocated for this scope?

A1. For this project, the RMOW has a total budget of \$160,000 - \$200,000. This equates to \$80,000 - \$100,000 annually for the two-year project duration.

Q2. Page 15, Section 9 “Form of Proposal” – Is a revision coming? It is on two pages and references 2022 as the year for submission date.

A2. The signature date on the Form of Proposal has been updated to 2024 and will remain on two pages.
